PRESS RELEASE

BRENTON HARRISON TARRANT

I confirm that I have accepted instructions to act for Brenton Tarrant.

I will be representing Mr Tarrant together with Jonathan Hudson Barrister.

The right to consult and instruct a lawyer and the right to a fair and public hearing are protected rights that the New Zealand Bill of Rights Act provides to every person in this country.

In any civilized society the rule of law must prevail.

We will not be making any further comment in relation to this prosecution, or Mr Tarrant's custodial arrangements at this time.
